

1774

The total population of the 13 colonies was about 2.5 million of whom more than $\frac{1}{5}$ th were negro slaves.

Commercially, most white Americans were far better off than their cousins in Britain, France, & Germany. In 1774, New York City was the only

City that regularly cleaned its streets
In many other cities, the avenues were
blighted with horse manure & garbage.
Activity centered around churches, coffeehouses
taverns, theaters & clubs.
Schools were connected with churches

(? - 1676?) PHILIP (N METACOMEX)

Famous Indian Chief, Son of
Massasoit; sachem of the WAMPANOAGS.
At first a firm friend of the whites
but realizing that settlement of the
country by them meant the
destruction of his own people, began
what is known as "King Philip's War"
(In 1774). 13 towns were destroyed; 600
inhabitants killed. The Indians

were defeated and King Philip was killed
at Mount Hope.
